I hereby certify that I am the builder of this contest Entry, and that the information contained on this Entry Form is true and correct. I also certify that I have read, and understand the General Contest Rules, printed on the second page of this Entry Form, and will abide by the rules, as stated.

I further agree that IPMS Winnipeg, and it's members, agents and servants will not be responsible whatsoever and howsoever caused, for any personal bodily injury, and for any loss, injury and damage, whatsoever and howsoever caused to any model(s) entered, or to be entered, or displayed herein while on the premises for the event VALOURCON 2010, and whether such personal bodily injury, and any such loss, injury and damage to any model(s) is caused by an act of omission, or an act of commission, and whether such act is caused by an act of negligence or gross negligence.

Signature of entrant

VALOURCON 2010

GENERAL CONTEST RULES

1. The competition is open to the general public, and IPMS Winnipeg Club members.
2. Entries must be made in person, or by proxy, between 4:00 PM to 9:00 PM Friday, September 17th, and between 9:00 AM to 12:00 noon Saturday September 18th 2010.
3. Each Entry must be entirely built and/or painted by the entrant. Die-casts, pre-painted, promotional, and R/C models are excluded from competition.
4. Junior division entrants are limited to those 16 years or younger. Identification may be required, on request. Juniors may, at their own discretion, enter their models in the Adult division, however, once registered as Adult, can not be later re-entered as Junior.
5. IPMS Winnipeg reserves the right to limit the number of models per entrant.
6. The Club reserves the right to remove from display, or from competition, any entries, which the Club deems offensive, as determined by the Contest Director. In the event that a model is removed from the competition, the entry fee for that model will be refunded.
7. Models will be judged solely upon their own merit and will be judged for skill in construction, finish and realism. A possible total of 90 points are available to be awarded to each entry, judging Construction and Finish. A model would require from 86-90 points to be awarded a Gold Medal. A Silver Medal Model would require from 81-85 points and a Bronze Medal Model would require 76-80 points. Model categories are for administrative purposes only.
8. Judges may move a model for judging, if viewing it from one or more aspects is obstructed, for category display placement, or for any other reason, as deemed appropriate by the Contest Director. If a model needs to be moved for proper display, a reasonable effort will be made to have the entrant move the model themselves. If the entrant can not be contacted, the judges will move the model, as required. Any special handling notes or cautions to assist in moving the model should be noted on the Model Display Tag.
9. Entries may be displayed with bases, model name tags, specification sheets and other references applicable to the model being judged. The modeler's name should not appear on the display or documentation. Specification sheets and other reference material such as build photographs, etc. placed with the model shall not exceed a 4 in. x 6 in. format. Only one reference item per model will be permitted.
10. To facilitate judging, models in display cases will not be allowed, without prior permission of the Contest Director.
11. Award winners must be present, or have a delegated person available to accept the award on their behalf. Any delegated person(s) must be indicated on the first page of the Regional Contest Entry Form at the time of registration.
12. Entrants agree to leave their entries on the display tables until after the Medal Award Ceremony is completed. Models may only be removed from the display tables prior to the Medal Award Ceremony, with the prior notice and approval of the Contest Director.
13. Each model registration will include a Model Receipt, which must be retained by the entrant as proof of ownership and registration of the model. The entrant will be required to produce the Model Receipt in order to pick up the model and remove it from the display area. If the Model Receipt is lost, some other form of positive identification will be required to prove ownership of the model in question. If a delegated person has been appointed to pick up the model, on the behalf of the original entrant, their name must be entered on the first page of the Regional Contest Entry Form, at the time of registration
14. The decisions of the judges are final.
